

Catholic Citizenship Presents

Former U.S. Senator Rick Santorum

Rick Santorum, a former U.S. House member, served as Pennsylvania U.S. Senator from January, 1995 through January, 2007. Santorum passionately advocated and fought for the historic and true definition of marriage, becoming a constant target of the left.

The author of legislation that outlawed the heinous procedure known as "Partial Birth Abortion," Senator Santorum also championed the successful fight to pass the "Born Alive Infant Protection Act," the "Unborn Victims of Violence Act," and the "Combating Autism Act."

Rumored as a potential U.S. presidential candidate for 2012, Rick Santorum is now a Senior Fellow at The Ethics and Public Policy Center, the Friday host of Bill Bennett's 'Morning in America', a contributor on the Fox News Channel.

A husband, proud father of seven and practicing Catholic, Rick Santorum will join us to offer his insight into the challenges that Catholic politicians face in an ever secularized world.
