WHO IS STILL SMOKING?

Despite increases from 2011 to 2013, smoking in New York City hit a new low in 2014

14.0%

15.5%

2014

16.1%

2014

13.9%

2014 marked the lowest percentage of adult smokers ever recorded in NYC

That still leaves about 900,000 adult smokers—almost double the population of Staten Island!¹²
