## NCOA - MORE THAN 50 YEARS OF SERVICE

NCOA was established in 1960 to enhance and maintain the quality of life for the entire enlisted force in all branches of the Armed Forces, past and present, their families, and their survivors. In recognition of the Association's work, NCOA was granted a Federal Charter by the U.S. Congress in 1988.

Today NCOA remains a vital fraternal, benevolent, non-profit organization and acts as a conduit between the military and civilian communities in local areas and promotes positive community relations. The Association is proud of its efforts in three primary areas: Legislative Representation; Social and Fraternal Programs; and Member Benefits in the area of specialized services and discount programs. NCOA has much to offer its members and you too can join our numbers. Membership in NCOA is open to all, however, you must meet certain criteria to be a voting member of the Association, but this does not prevent you from being an Associate member and supporting our organization and reaping the benefits of being a member.

## VOICE IN D.C.

The Association strives to ensure that the laws and policies of the federal government are developed and enacted with equality for enlisted personnel, retirees, veterans, and their families. The Association focuses its legislative efforts in the areas of compensation, benefits, and quality of life issues for the Total Force.

To promote the legislative goals of NCOA, the Association regularly joins forces with other associations to advance mutually-shared objectives. NCOA is also an active member of the Military Coalition and also testifies several times a year before Congress on the Association's Legislative Resolutions and other important topics that affect the enlisted force and their families.
