Eligibility Criteria

1. Nominees must be REALTOR® members in good standing of the New Hampshire REALTORS®.
2. Nominees should have contributed in a non-employee capacity to a program that improves the livability of a local community. Those activities aren't limited to real estate or housing issues, and may include such things as crime prevention, youth mentoring, and homelessness prevention.
3. Nominees should have made a significant contribution of **personal** time, however contributions of needed materials and/or other resources may be considered by the judges as well.
4. Nominees will be judged not only on level of **personal** contribution, but also the impact of **personal** contribution, broadness of impact, and the project's suitability as a role model for other REALTORS®.
5. The award is intended to recognize **individual** contributions, not association or company-wide efforts. However, if an **individual** within your company can be singled out as instrumental to the success of a group effort, he or she is eligible. If the achievements of two people (such as a married couple or co-founders of an organization) absolutely cannot be separated, they can enter as a pair and their entry will be considered as one.
6. A significant portion of the nominee's community work must have taken place between January of the preceding year and April of the current year, but judges will also consider ongoing efforts outside that time frame that demonstrates a depth of commitment.
7. Nominees must be able to document the results of their **individual** involvement through published reports and/or written testimonials from the organization they served or the people they helped to be included with the application form.
8. Nominations must be accompanied by a completed entry form to be considered. (REALTORS® may nominate themselves or may be nominated by another NHAR member, a local Board, or the community organization they served).
