Passed	This was a procedural motion to appeal the ruling of the chair that would have allowed Constitutional Carry to be heard on the House floor. A pro-gun vote is a NO vote.	Y	✗
Passed	A vote on whether this bill, HB 1859, establishing Red Flag Gun Confiscation Orders, was constitutional. A NO vote is a pro-gun vote.	Y	✗
Failed	Final passage of Red Flag Gun Confiscation Orders. A NO vote is a pro-gun vote.	Y	✗
Failed	Final passage of a bill to ban undetectable firearms, like 3-D printed guns. A pro-gun vote is a NO vote.	Y	✗
Passed	Outlaws the private sale of long guns by establishing a universal registration check system. A pro-gun vote is a NO vote.	N	✓
Failed	Final passage on a bill to make “Glock switches” and other machine gun conversion devices illegal. The bill would also ban any device that would simulate automatic fire, like bump stocks, forced reset triggers, and binary triggers. This bill is nothing more than virtue-signaling. It will do absolutely nothing to prevent evil people from committing crimes, since criminals already ignore the federal ban on these machine gun conversion devices. A pro-gun vote is a NO vote.	Y	✗

Passed	Weaponizes Protection From Abuse (PFA) orders to strip citizens of their firearms rights through criminal penalty enhancements, even when no firearm or serious violence is involved. A pro-gun vote is a NO vote.	Y	✗
